TASTE
the
DIFFERENCE

Ohio Signature Beef is your all-natural, all-local, all-flavorful alternative to other steak and hamburger brands that just don't make the cut. Here's why:

- We offer **only USDA Choice and USDA Prime** — the **highest quality** beef grades available.
- Our cattle are fed **locally raised forages and grain** for finely marbled, tender, juicy, and **delicious beef**.
- We don't give our animals **antibiotics or growth hormones** — Never Ever!
- Our cattle live in **natural environments** on small farms — receiving individual care for maximum health and higher-quality beef.
- Our products are grown and processed in Ohio by family businesses full of **Buckeye pride** and tradition.
- We follow a seven-day aging process to ensure **optimum flavor and tenderness**.
